

# Introduction

Morningstar Chinese School (MSCS) supplies Chinese classes and after school services. The administration and staff at MSCS are dedicated in their efforts to provide the best academic enrichment after-school program for the local community. MSCS strives to encourage students to cherish Chinese culture and heritage, foster and enhance friendships within the Chinese-American community, and contribute to the mutual understanding and appreciation of Chinese and other cultures. Moreover, MSCS pledges to help each child to grow in the multicultural environment of the Bay Area with self-esteem, honesty, discipline and love.

MSCS appreciates your trust and the opportunity to assist with your child's development.

## Program Philosophy

Morningstar Chinese School recognizes the unique strengths of each child and is committed to meeting the needs of each individual child and his/her family. Children learn best in a safe and nurturing environment that helps them to grow and develop their abilities and skills to their utmost potential. MSCA believes that bilingual and multicultural experiences are an important part of the development of children.
